

# One Direction - Wolves

Tom: C  
Intro: 2x: C C C

F C C C  
I hear them calling for you.  
F C  
I hear them calling for you.

Verse:  
C Am  
I feel the waves getting started, it's a rush inside I can't  
control,  
C Am G  
your eyes keep pulling me in, I know, I know, I know.  
C Am G  
Your friends all talking 'bout me, they say I got no chance at  
all,  
C Am G  
Your fire is burning deep in my soul, my soul, my soul.

Pre-chorus:  
F Em  
I ain't up for debating, ain't in it for the taking,  
G  
you got the world shaking.

Chorus:  
C  
In the middle of the night when the wolves come out,  
F G  
they head straight for your heart like a bullet in the dark.  
C  
One by one, I gotta take them down,  
F Em G  
we can run and hide, ain't goin' down without a fight.  
C F G  
I hear them calling for you, I hear them calling.

C  
In the middle of the night when the wolves come out,  
F Em  
They head straight for your heart, they come straight for your  
heart.  
C F G  
I hear them calling for you,  
C F Em G  
I hear them calling for you.

Verse 2:  
C Am  
I keep on holding tight now, 'cause your body's telling me  
don't let go.  
C Am G  
We are gonna be starting up trouble, I know, I know, I know.  
C  
Just getting my demons out, more than ever now.  
Am  
Your beauty could start a war as you walk in the door.

Pre-chorus:  
F Em  
I ain't up for debating, ain't in it for the taking,  
G  
we got the whole world shaking.

Chorus:  
C  
In the middle of the night when the wolves come out,  
F G  
they head straight for your heart like a bullet in the dark.  
C  
One by one, I gotta take them down,  
F Em G  
we can run and hide, ain't goin' down without a fight.  
C F G  
I hear them calling for you, I hear them calling.  
C  
In the middle of the night when the wolves come out,  
F Em  
They head straight for your heart, they come straight for your  
heart.  
C F G  
I hear them calling for you,  
C F Em G  
I hear them calling for you.

Bridge:  
F Em F  
Em  
I wish it wasn't true, but the whole world's tryin' to get a  
piece of you.  
F Em  
And my heart keeps fighting in this battle of fools,  
G G  
Gotta make it through, gotta make it through.

Chorus:  
C  
In the middle of the night when the wolves come out,  
F G  
they head straight for your heart like a bullet in the dark.  
C  
One by one, I gotta take them down,  
F Em G  
we can run and hide, ain't goin' down without a fight.  
C F G  
I hear them calling for you, I hear them calling.  
C  
In the middle of the night when the wolves come out,  
F Em  
G  
They head straight for your heart, they come straight for your  
heart.  
C F G  
I hear them calling for you,  
C F Em G  
I hear them calling for you.
