

# One Ok Rock - Hard To Love (English)

Tom: G  
Intro: D

[Primeira Parte]

When I was just a kid  
I couldn't wait till I grow up  
Tried walking in your shoes  
But I couldn't even tie them up  
No matter how big and tall I grow  
I was always looking up to you

[Refrão]

You show me that I was just a 'diamond in the rough'  
You helped me to grow into the man that I've become  
We've been down, we've been up  
I hope I made you proud enough  
You make it look easy, even when I'm hard to love

[Segunda Parte]

When I dropped out of school  
You told me that my time was up  
I was a 'rebel with a cause'  
Just didn't know what it was  
So I waited but jumped the barricade  
You said you did the same thing at my age

[Refrão]

You show me that I was just a 'diamond in the rough'  
You helped me to grow into the man that I've become  
We've been down, we've been up  
I hope I made you proud enough  
You make it look easy, even when I'm hard to love  
We've been down, we've been up  
I hope I made you proud enough  
You make it look easy, even when I'm hard to love
