

OneRepublic - All Fall Down

```
Intro: Bm - G
Verse:
Step out the door and it feels like rain
That's the sound (that's the sound) on your window pane
Take to the streets but you can't ignore
That's the sound (that's the sound) you're waiting for
Pre-chorus:
If ever your will starts crashing down
Whenever your will starts crashing down
Whenever your will starts crashing down
That's when you find me.
Verse 2:
Yea God love your soul and your aching bones
Take a breath, take a step, maybe down below
Everyone's the same, my fingers to my toes
We just can't get a ride, but we're on the road
Pre-chorus:
If ever your will starts crashing down
Whenever your will starts crashing down
Whenever your will starts crashing down
That's when you find me.... yea
Chorus:
Lost 'till you're found
```

Acordes

```
Swim 'till you drown
Know that we all fall down
Love 'till you hate
Jump 'till you break
Know that we all fall down
If ever your will starts crashing down
Whenever your will starts crashing down
Whenever your will starts crashing down
                Em
That's when you find, find me...
Chorus:
Lost 'till you're found
Swim 'till you drown
Know that we all fall down
Love 'till you hate
Strong 'till you break
Know that we all fall down
All fall down, we all fall down, all fall down...
We all fall down, we all fall down, all fall down..
Lost 'till you're found
Swim 'till you drown
Know that we all fall down
Love 'till you hate
Strong 'till you break
Know that we all fall down
```
