

# OneRepublic - All The Right Moves

Tom: C

(chorus)

**Am** **G**  
All the right friends in all the wrong places  
**C** **F**  
So yeah, we're going down  
**Am** **G**  
They've got all the right moves in all the right faces  
**C** **F**  
So yeah, we're going down

**Am G C F**  
Just paint the picture of a perfect place  
They've got it better than what anyone's told you  
They'll be the King of Hearts, and you're the Queen of Spades  
And we'll fight for you like we were your soldiers

**Am G C F**  
I know we've got it good  
But they've got it made  
And the grass is getting greener each day  
I know things are looking up  
But soon they'll take us down  
before anybody's knowing our name.

(chorus)

**Am G C F**  
They've got all the right friends in all the right places  
So yeah, we're going down  
We've got all the right moves and all the wrong faces  
So yeah, we're going down  
They said, everybody knows, everybody knows where we're going  
Yeah, we're going down  
They said, everybody knows, everybody knows where we're going  
Yeah, we're going down

**Am G C F**  
Do you think I'm special?  
Do you think I'm nice?  
**Am** I bright enough to shine in your spaces?  
Between the noise you hear  
And the sound you like  
Are we just sinking in an ocean of faces?

**Am G C F**  
It can be possible that rain can fall,  
Only when it's over our heads  
The sun is shining everyday, but it's far away  
All the world is dead.

(chorus)

**Am G C F**  
They've got,  
They've got all the right friends in all the wrong places  
So yeah, we're going down  
We've got all the right moves and and all the wrong faces  
So yeah, we're going down

**Am G C F**  
They said, everybody knows, everybody knows where we're going  
Yeah, we're going down  
They said, everybody knows, everybody knows where we're going  
Yeah, we're going down

(solo)

**Am G C F** (samente o piano)  
It doesn't matter what you see.  
I know i could never be  
Someone that looks like you.  
It doesn't matter what you say  
I know i could never face  
someone that could sound like you.

(chorus)

**Am G C F**  
All the right friends in all the wrong places  
So yeah, we're going down  
We've got all the right moves and all the wrong faces  
So yeah, we're going down

**Am G C F**  
All the right friends in all the wrong places  
So yeah, we're going down  
We've got all the right moves and all the wrong faces
