

# OneRepublic - Better Days

tom:  
 Dm  
 Oh, I know that they'll be better days  
 Dm Bb F  
 Oh, that sunshine bout to come my way  
 Dm Bb F  
 May we never ever shed another tear for today  
 Dm Bb F  
 'Cause oh, I know that they'll be better days  
 Dm  
 Waking up in California  
 Bb F  
 But these clouds they won't go away  
 Dm  
 Everyday is like another storm, yeah  
 Bb F  
 I'm just trying not to go insane  
 Dm  
 Yeah, in the city shining so bright  
 Bb F  
 So many dark nights, so many dark days  
 Dm  
 But every time I feel the paranoia  
 Bb F  
 I close my eyes and I pray  
 Dm Bb F  
 Oh, I know that they'll be better days  
 Dm Bb F  
 Oh, that sunshine bout to come my way  
 Dm Bb F  
 May we never ever shed another tear for today  
 Dm Bb F  
 'Cause oh, I know that they'll be better days  
 Dm  
 Been waking up to a new year

Bb F  
 Got the past a million miles away  
 Dm  
 I'm waking up with a new fear  
 Bb F  
 But I know it'll wash away  
 Dm  
 Whatever you do don't worry bout me  
 Bb F  
 I'm thinking bout you, don't worry bout us  
 Dm  
 'Cause in the morning everything can change, yeah  
 Bb  
 And time will tell you it does  
 Dm Bb F  
 Oh, I know that they'll be better days  
 Dm Bb F  
 Oh, that sunshine bout to come my way  
 Dm Bb F  
 May we never ever shed another tear for today  
 Dm Bb F  
 'Cause oh, I know that they'll be better days  
 Dm Bb F  
 Better days  
 Dm Bb F  
 Better days  
 Dm Bb F  
 Better days  
 Dm Bb F  
 Better days  
 Dm Bb F  
 Dm Bb F  
 May we never ever shed another tear for today  
 Dm Bb F  
 'Cause oh, I know that they'll be better days  
 Dm Bb F  
 May we never ever shed another tear for today  
 Dm Bb F
