

OneRepublic - Better Days

```
tom:
            Dm
Oh, I know that they?ll be better days
                          Bb
Oh, that sunshine bout to come \mathop{\mathtt{my}}\limits_{-\cdot} way
May we never ever shed another tear for today
'Cause oh, I know that they?ll be better days
Waking up in California
But these clouds they won?t go away
Everyday is like another storm, yeah
I?m just trying not to go insane
            Dm
Yeah, in the city shining so bright
             Bb
So many dark nights, so many dark days
But every time I feel the paranoia
I close my eyes and I pray
Oh, I know that they?ll be better days
Oh, that sunshine bout to come my way
May we never ever shed another tear for today
                                  Bb
'Cause oh, I know that they?ll be better days
Been waking up to a new year
```

Acordes

```
Got the past a million miles away
         Dm
I?m waking up with a new fear
     Bb
But I know it?ll wash away
           Dm
Whatever you do don?t worry bout me
                 Bb
I?m thinking bout you, don?t worry bout us
'Cause in the morning everything can change, yeah
And time will tell you it does
Oh, I know that they?ll be better days
                         Bb
Oh, that sunshine bout to come my way
May we never ever shed another tear for today
                                Bb
'Cause oh, I know that they?ll be better days
