Verso 1 :

Hail Caesar shadow on my backseat  
 And her friends are standing right in front of me  
 World wide from the Cimmaron to Turkey  
 Open up, said everybody loves me

C Am  
 And you don't have to make a sound  
 'Cause they got what you need, what you need  
 Oh, oh, oh, oh

Verso 2:

Got love for the people that have warned you  
 God love all your sentimental virtue  
 Eight balls with the takers that'll make you  
 Late calls with the lovers that'll hate you

 And you don't have to make a sound  
 They got what you need  
 What you need  
 Make ya say

Refrão :

E A  
 Oh my, feels just like I don't try

C  
 Look so good I might die  
 All I know is everybody loves me  
 E A  
 Head down, swaying to my own sound

C  
 Flashes in my face now  
 All I know is everybody loves me  
 Everybody loves me

Verso 3:

Well, I play the music don't stop till I turn gray  
 Stars forever like Don Suzan never fade,

He had a beautiful child, named her Desiree  
 Hope I'm remembered for the things that I never made

C Am  
 And you don't have to make a sound  
 When They got what you need  
 Make ya say

E  
 Don't need my health  
 Got my name and got my wealth I  
 Stare at the sun  
 Just for kicks all by myself I  
 Lose track of time  
 So I might be past my prime  
 But  
 I'm feeling oh so good  
 YEAH!
