

OneRepublic - Fingertips

tom:

C

We were running from the waves on the shallows
Am Trying to keep ourselves alone and out of sight
G
 All right, all right, all right
C You were talking about the night when I cashed out
Am
G
 Traded glances as I stole your lovers light
F
 All right, all right, all right
F That's how I recall it and you and I

C **Am**
 I remember it, it was a night just like this
G
 One of those moments that just slip
F
 But you just feel it from your heart to your fingertips, yeah
C **Am**
 And I remember it, it was a late summer bliss
G
 One of those moments that just slip
F
 But you feel it from your heart to your fingertips, yeah

(C Am G F)

F **G**
 And I remember you, you were first on my list
Am
 One of those moments that just slip
G
 But you feel it from your heart to your fingertips, yeah
F **G**
 I remember us, you were a late summer bliss
Am
 One of those moments that just slips
G
 But you feel it from your heart to your fingertips, yeah

C
 We were drinking from the same old glasses
Am **G**
 That we borrowed from my roommate down the hall, hall, hall
F
 Down the hall and you were like

C **Am**
 I remember it, it was a night just like this
G
 One of those moments that just slip
F
 But you feel it from your heart to your fingertips, yeah
C **Am**
 And I remember it, it was a late summer bliss
G
 One of those moments that just slip
F
 But you feel it from your heart to your fingertips, yeah
