Hope when you take that jump

Hope when the crowd screams out  
They're screaming your name

Gbm D  
Hope if everybody runs

You choose to stay

Hope that you fall in love

A D  
And it hurts so bad  
The only way you can know

A D  
Is give it all you have

Gbm D  
And I hope that you don't suffer

Gbm D  
But take the pain  
Hope when the moment comes  
You'll say...

I, I did it all  
I, I did it all  
Gbm  
I owned every second  
That this world could give

I saw so many places  
The things that I did

Gbm D  
Yeah, with every broken bone  
I swear I lived

A D  
Hope that you spend your days

A  
But they all add up  
A  
And when that sun goes down  
D A  
Hope you raise your cup

Gbm D  
I wish that I could witness  
Gbm D  
All your joy and all your pain  
Gbm D

I owned every second  
That this world could give

I saw so many places  
The things that I did
