

OneRepublic - Prodigal

Tom: G

D **D**
 We say good-bye
 I turn my back
G
 Run away, run away
 So predictable
D
 Not far from here
D
 You see me crack
G
 Like a bone, like a bone
 I'm so breakable

D **D** **G**
 And I take everything from you
D **D** **G**
 But you'll take anything
 Won't you?

D **G**
 Run away, run away
 Like a prodigal
Bm
 Don't you wait for me
G
 Don't you wait for me
D **G**
 So ashamed, so ashamed
 But I need you so
Bm
 And you wait for me
G
 And you wait for me

(O mesmo que a primeira parte)
 I'm on the road
 To who knows where?
 Look ahead, not behind
 I keep saying
 There's no place to go
 Where you're not there
 On your rope, I hold tight
 But it's freeing
 And I take everything from you
 But you'll take anything
 Won't you?

D **G**
 Run away, run away
 Like a prodigal
Bm
 Don't you wait for me
G
 Don't you wait for me
D **G**
 So ashamed, so ashamed
 But I need you so
Bm
 And you wait for me
G
 And you wait for me

C
 Everybody wants to be right
A
 But only if it's not day light?
G
 I keep trying to find my way back
D
 My way back

D **G**
 Run away, run away
 Like a prodigal
Bm
 Don't you wait for me
G
 Don't you wait for me
D **G**
 So ashamed, so ashamed
 But I need you so
Bm
 And you wait for me
G
 And you wait for me

D
 Runaway
G
 Runaway
 Runaway
Bm
 From you
G
 From you
 From you
