Would you rescue me <sup>Bm</sup>  
Would you get my back <sup>A</sup>  
Would you take my call when I start to crack <sup>D</sup>  
Would you rescue me <sup>G</sup>  
Would you rescue me <sup>A</sup>  
Would you rescue me when I?m by myself <sup>Bm</sup>  
When I need your love <sup>A</sup>  
If I need your help <sup>D</sup>  
Would you rescue me <sup>G</sup>  
Would you rescue me

[Primeira Parte]

We don?t talk much not anymore <sup>Bm</sup>  
Broken bottles and slamming doors <sup>A</sup> <sup>D</sup>  
But we still care about each other <sup>G</sup>  
Say we care about each other <sup>A</sup>  
I know life took us far away <sup>Bm</sup>  
But I still dream about the good old days <sup>A</sup> <sup>D</sup>  
When we took care of each other <sup>G</sup>  
We were living for each other <sup>A</sup>

[Ponte]

But I <sup>Bm</sup> <sup>A</sup> <sup>D</sup> <sup>G</sup> start to wonder, wonder <sup>A</sup>  
If I?m <sup>Bm</sup> <sup>A</sup> <sup>D</sup> <sup>G</sup> slipping under, under <sup>A</sup>

[Refrão]
