

OneRepublic - Rescue Me

```
Tom: B
                                                                                                                                                                                                                                      If I need your help
Intro: Bm A D G A
                                                                                                                                                                                                                                      Would you rescue me
                            Bm A D G A
                                                                                                                                                                                                                                      Would you rescue me
[Dedilhado Padrão]
                                                                                                                                                                                                                                      Would you rescue me
                                                                                                                                                                                                                                      Would you get my back
                                                                                                                                                                                                                                      Would you take my call when I start to crack
[Refrão]
                                                                                                                                                                                                                                      Would you rescue me
Would you rescue me
                                                                                                                                                                                                                                      Would you rescue me
Would you get my back
Would you take my call when I start to crack
                                                                                                                                                                                                                                      Would you rescue me when I?m by myself
Would you rescue me
                                                                                                                                                                                                                                      When I need your love
Would you rescue me
                                                                                                                                                                                                                                       If I need your help
                                                                                                                                                                                                                                      Would you rescue me
Would you rescue me when I?m by myself
                                                                                                                                                                                                                                      Would you rescue me
When I need your love
                                                                                                                                                                                                                                       [Segunda Parte]
If I need your help
Would you rescue me
Would you rescue me
                                                                                                                                                                                                                                      Yeah I miss all the times we had % \left( 1\right) =\left( 1\right) \left( 1\right)
[Primeira Parte]
                                                                                                                                                                                                                                      Can?t forget what you can?t get back
We don?t talk much not anymore
                                                                                                                                                                                                                                      And you can?t find it in another
Broken bottles and slamming doors
                                                                                                                                                                                                                                      Man, time it ain?t your lover
But we still care about each other
Say we care about each other
                                                                                                                                                                                                                                      I don?t care what you thought before
                                                                                                                                                                                                                                       I?ll be there any time you call
I know life took us far away
                                                                                                                                                                                                                                       Don?t you ever call another
But I still dream about the good old days
                                                                                                                                                                                                                                      No need to call another
When we took care of each other
                                                                                                                                                                                                                                       [Ponte]
We were living for each other
                                                                                                                                                                                                                                      But I start to wonder, wonder Bm A D G A
[Ponte]
slipping under, under
                                                        G
                                                                                                                                                                                                                                       [Refrão]
                                   slipping under, under
If I?m
[Refrão]
                                                                                                                                                                                                                                      Would you rescue me
                                                                                                                                                                                                                                      Would you get my back
Would you rescue me
                                                                                                                                                                                                                                      Would you take my call when I start to crack
Would you get my back
                                                                                                                                                                                                                                      Would you rescue me
Would you take my call when I start to crack
                                                                                                                                                                                                                                      Would you rescue me
Would you rescue me
                                                                                                                                                                                                                                      Would you rescue me when I?m by myself
Would you rescue me
                                                                                                                                                                                                                                      When I need your love
Would you rescue me when I?m by myself
                                                                                                                                                                                                                                       If I need your help
When I need your love
```
