

# OneRepublic - Somebody To Love

tom:

**Bm**  
Never could imagine the way the story happened

**Bm** **A** **D**  
You with someone new  
I used to be your focus, now you don't even notice

**Bm** **A** **D**  
When I leave the room  
You weren't even tryin' to make me jealous  
But you can't help it, you can't help it

**D** **A**  
And it kills me to know that you found  
Somebody to love, somebody to love

**D** **A**  
Tell me how can I go on without  
Somebody to love, somebody to love

**D** **A** **Bm** **G**  
Somebody to love  
Somebody to love  
Somebody to love  
Somebody to

**Bm** **A**  
They say that love comes easy  
Whenever it comes easy and I see it on your face

**Bm** **A**  
I don't want you to be lonely  
But right now, I'm the only one who feels this way

**Bm** **A** **D**  
And I ain't even tryin' to make you miss me, make you miss me

I know we're history

**D** **A**  
But it kills me to know that you found  
Somebody to love, somebody to love

**D** **A**  
Tell me how can I go on without  
Somebody to love, somebody to love

**D** **A** **Bm** **G**  
Somebody to love  
Somebody to love  
Somebody to love

**D** **A** **Bm** **G**  
Somebody to  
(Some-bo-dy-to-love-some-bo)  
Somebody to  
(Wooo)

**Bm** **A**  
You weren't even tryin' to make me jealous  
But you can't help it, you can't help it

**D** **A**  
And it kills me to know that you found  
Somebody to love, somebody to love

**D** **A**  
Tell me how can I go on without  
Somebody to love, somebody to love

**D** **A** **Bm** **G**  
Somebody to love  
Somebody to love  
Somebody to love

**Bm** **A** **D**  
I used to be your focus, now you don't even notice  
When I leave the room
