

# OneRepublic - Someone To Save You

Tom: C  
Intro: ( E Bm7 A Am ) 2X

E  
Patience  
Took you for everything  
Looked like a diamond ring  
You are so much longer  
That made sense  
Apathy in disguise  
Crept on you like a spy  
Hurt you in ways  
You can't describe  
Back to the start now  
I wont let you go this way now

(Chorus)  
E  
Honesty  
Is what you need  
A  
It sets you free  
Am  
Like someone to save you  
E  
Let it go  
Bm7  
But hurry now  
A  
Theres undertow  
Am  
And I don't want to lose you now
