

# OneRepublic - Something I Need

Tom: G

I had a dream the other night<sup>G</sup>  
 About how we only get one life<sup>Em</sup>  
 Woke me up right after 2<sup>C</sup>  
 Stayed awake and stared at you<sup>D</sup>  
 So I wouldn't lose my mind<sup>G</sup>

And I had the week that came from hell<sup>G</sup>  
 And yes I know that you could tell<sup>Em</sup>  
 But you're like the net under the ledge<sup>C</sup>  
 Whether I go flying off the edge<sup>D</sup>  
 You go flying off as well<sup>G</sup>  
 And if you only die once<sup>C</sup>  
 I wanna die with<sup>D</sup>

You got something I need<sup>G</sup>  
 In this world full of people there's one killing me<sup>Em</sup>  
 And if we only die once, I wanna die with you (2x)<sup>C D G</sup>

Last night I think I drank too much, yeah<sup>G</sup>  
 Call it our temporary crunch<sup>Em</sup>  
 With broken words I've tried to say<sup>C</sup>

"Honey don't you be afraid"<sup>D</sup>  
 If we got nothing, we got us, yeah<sup>G</sup>  
 And if you only die once<sup>C</sup>  
 I wanna die with<sup>D</sup>

You got something I need<sup>G</sup>  
 In this world full of people there's one killing me<sup>Em</sup>  
 And if we only die once, I wanna die with you (2x)<sup>C D G</sup>

I know that we're not the same<sup>G</sup>  
 But I'm so damn glad that we made it<sup>Em</sup>  
 To this time, this time, around, yeah<sup>C D G</sup>

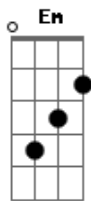

You got something I need<sup>G</sup>  
 Yeah, in this world full of people there's one killing me<sup>Em</sup>  
 And if we only die once, I wanna die with you<sup>C D G</sup>

You got something I need<sup>G</sup>  
 In this world full of people there's one killing me<sup>Em</sup>  
 And if we only die once, I wanna die with you (2x)<sup>C D G</sup>  
 And if we only die once, I wanna die<sup>C</sup>  
 If we only live once, I wanna live with you<sup>D G</sup>
