

OneRepublic - Something I Need

Tom: G

I had a dream the other night^G
 About how we only get one life^{Em}
 Woke me up right after 2^C
 Stayed awake and stared at you^D
 So I wouldn't lose my mind^G

And I had the week that came from hell^G
 And yes I know that you could tell^{Em}
 But you're like the net under the ledge^C
 Whether I go flying off the edge^D
 You go flying off as well^G
 And if you only die once^C
 I wanna die with^D

You got something I need^G
 In this world full of people there's one killing me^{Em}
 And if we only die once, I wanna die with you (2x)^{C D G}

Last night I think I drank too much, yeah^G
 Call it our temporary crunch^{Em}
 With broken words I've tried to say^C

"Honey don't you be afraid"^D
 If we got nothing, we got us, yeah^G
 And if you only die once^C
 I wanna die with^D

You got something I need^G
 In this world full of people there's one killing me^{Em}
 And if we only die once, I wanna die with you (2x)^{C D G}

I know that we're not the same^G
 But I'm so damn glad that we made it^{Em}
 To this time, this time, around, yeah^{C D G}

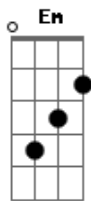

You got something I need^G
 Yeah, in this world full of people there's one killing me^{Em}
 And if we only die once, I wanna die with you^{C D G}

You got something I need^G
 In this world full of people there's one killing me^{Em}
 And if we only die once, I wanna die with you (2x)^{C D G}
 And if we only die once, I wanna die^C
 If we only live once, I wanna live with you^{D G}
