

OneRepublic - Start Again (feat. Logic)

Tom: Db

m
 Can't I just turn back the clock?
 A E
 Forgive my sins
 Dbm
 I just wanna roll my sleeves up
 A E
 And start again
 Dbm
 I know that I messed it up
 A E
 Time and time again
 Dbm
 I just wanna roll my sleeves up
 A E
 And start again
 Dbm
 I was switchin' up the lanes
 A E
 Steppin' out the frame I'm in
 Dbm
 I was pulling on the reins
 A E
 Sick off all the same happenin'
 Dbm
 I swear I was looking for disaster
 A E
 Mixed with a bottle of gin
 Dbm
 And just because I come home after
 A E
 Doesn't mean you'll take me in
 Dbm A E
 You see my world is spinning like there's nothing to know
 Dbm A E
 You see my world is feeling like it just might explode
 Dbm A E Dbm
 And yes I know it's hard to take it backwards from my mind
 A E
 I need to get a ride, need to see some light come in
 Dbm
 Can't I just turn back the clock?
 A E
 Forgive my sins
 Dbm
 I just wanna roll my sleeves up
 A E
 And start again
 Dbm
 I know that I messed it up
 A E
 Time and time again
 Dbm
 I just wanna roll my sleeves up
 A E

And start again
 Dbm
 Feelin' like maybe I'm unappreciated
 A E
 Like my presence in your life has been alleviated
 Dbm
 I feel like everything I've done before is different now
 A E
 But I can see clearer than ever from a distance now
 Dbm
 Every day I do it, I been goin' through it
 A E
 But you never knew it 'cause I never showed you
 Dbm
 You gave me the world, so I feel I owed you
 A E
 I been lookin' through the mirror and that's the old you
 Dbm
 Imma get it right now, don't know how
 A E
 But I promise that we're gonna make it somehow
 Dbm
 I'm all in, it's from the heart again
 A E
 Open up your mind and maybe we could start again
 Dbm
 Can't I just turn back the clock?
 A E
 Forgive my sins
 Dbm
 I just wanna roll my sleeves up
 A E
 And start again
 Dbm
 I know that I messed it up
 A E
 Time and time again
 Dbm
 I just wanna roll my sleeves up
 A E
 And start again
 Dbm A E Dbm A E
 Oh -oh-ohhh, oh- oh-oh
 Dbm A E Dbm A E
 Oh -oh-ohhh, oh- oh-oh
 Dbm A E Dbm A E
 And yes I know it's hard to take it backwards from my mind
 A E
 I need to get a ride, need to see some light come in
 Dbm
 Can't I just turn back the clock?
 A E
 Forgive my sins
 Dbm
 I just wanna roll my sleeves up
 A E
 And start again
