

OneRepublic - Stop And Stare

```
Intro: E B E B
 This town is colder now, I think it's sick of us
It's time to make our move, I'm shakin off the rust
 I've got my heart set on anywhere but here
I'm staring down myself, counting up the years
                               A (pestana)
 Steady hands, just take the wheel...
And every glance is killing me
Time to make one last appeal... for the life I lead
Stop and stare
I think I'm moving but I go nowhere
Yeah I know that everyone gets scared
But I've become what I can't be, oh
Stop and stare
You start to wonder why you're 'here' not there
                          Dbm
And you'd give anything to get what's fair
But fair ain't what you really need
Oh, can u see what I see
 They're tryin to come back, all my senses push
```

Acordes

```
Un-tie the weight bags, I never thought I could...
 Steady feet, don't fail me now
Gonna run till you can't walk
But something pulls my focus out
And I'm standing down...
Stop and stare
I think I'm moving but I go nowhere
Yeah I know that everyone gets scared
But I've become what I can't be, oh
Stop and stare
You start to wonder why you're 'here' not there
And you'd give anything to get what's fair
But fair ain't what you really need
Oh, can u see what I see
Stop and stare
I think I'm moving but I go nowhere
Yeah I know that everyone gets scared
But I've become what I can't be
Oh, can u see what I see
```
