E Abm#5 D F#m7add4

E Abm#5  
 Now I stared at you  
 D  
 From across the room  
 F#m7add4  
 Until both my eyes were faded  
 E Abm#5  
 I was in a rush  
 D  
 I was out of luck  
 F#m7add4  
 Now I'm so glad I waited  
 E Abm#5  
 Well you were almost there  
 D F#m7add4  
 Almost mine... yeah  
 E Abm#5  
 They say love ain't fair  
 D F#m7add4  
 But I'm doing fine...

[Chorus]

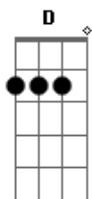

A  
 Cause I swear it's you  
 I swear it's you  
 Dbm7 B  
 I swear it's you that I've waited for  
 A  
 and I swear it's you  
 I swear it's you  
 Dbm7 B  
 I swear it's you that my heart beats for  
 D A  
 And it ain't gonna stop  
 E Abm#5 D F#m7add4  
 No it just won't stop  
 E Abm#5  
 Now you were fine by night  
 D  
 But when the morning light comes  
 F#m7add4  
 Comfortable as rain on Sunday  
 E Abm#5  
 And I'm a lucky soul  
 D  
 That holds your hand so tight  
 F#m7add4  
 Hope you hear this one day

E Abm#5  
 Don't fool yourself  
 D F#m7add4  
 This is my truth  
 [Chorus]  
 A  
 I swear it's you  
 I swear it's you  
 Dbm7 B  
 I swear it's you that I've waited for  
 A  
 I swear it's you  
 I swear it's you  
 Dbm7 B  
 I swear it's you that my heart beats for  
 D A  
 And it ain't gonna stop  
 F#7add4  
 just won't stop  
 A  
 You take this hand  
 F#7add4  
 You take this heart  
 A  
 Steal my bones  
 F#7add4  
 From 1000 miles apart  
 A  
 Feels so cold  
 D  
 Felt just like its ten shades of winter  
 E Abm#5 D F#m7add4 E Abm#5 D F#m7add4  
 And I need the sun

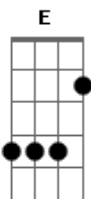

[Chorus]

A  
 and I swear it's you  
 I swear it's you  
 Dbm7 B  
 I swear it's you that I've waited for  
 A  
 I swear it's you  
 I swear it's you  
 Dbm7 B  
 I swear it's you that my heart beats for  
 A  
 I swear it's you  
 I swear it's you  
 Dbm7 B  
 I swear it's you that I've waited for  
 A  
 I swear it's you  
 I swear it's you  
 Dbm7 B  
 I swear it's you that my heart beats for  
 D A  
 And it ain't gonna stop  
 E Abm#5 D F#m7add4 E  
 just won't stop
