

# Only For Fun Band - Love Draw

tom: E

You my love a little bit crazy  
 I win you and I lose you every day  
 I turn my love into poetry  
 To try to understand you

My darling, my love draw  
 I want me today and maybe  
 Tomorrow not anymore  
 I get lost in you

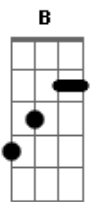

And find myself in rock roll

Today I'm your love

Tomorrow only God knows

And in this madness  
 Of not saying  
 That I love you  
 I'm denying this feeling  
 To escape the suffering

I can't stand the doubt  
 But i say it's alright  
 We keep living like this  
 Later we will see what will be

Today I'm your love  
 Tomorrow only God knows
