

Oohyo - Pizza

Tom: G

Summer's been boring without you
 Empty talk and entertainment
 Been yawning every minute or so
 Waiting for the phone to ring

What's gotten into me?
 Can anybody see?

Oh love's a crazy game
 I don't know how to play
 To make you want to stay

I'm too scared to say

That I want you
 I want you back
 Cause I want you
 I want you bad

Cause pizza sucks without you
 It's not a question of appetite
 Pizza sucks without you
 Anyway
 (Abm Em Gb Bm A G Gb Bm A D)

Mom and Dad out for a movie
 I'm stuck at home watching re-runs
 Don't really feel out going out in the city

Or on the Net where everyone's tryin' to look pretty
 Cause I ain't got no time to impress
 To try and live up to anyone's stupid interest
 See I ain't got no time to look back
 To wonder how it might have been if I had tried

That I want you
 I want you back
 Cause I want you
 I want you bad

Cause pizza sucks without you
 It's not a question of appetite
 Pizza sucks without you
 Anyway
 (E Em Gb Bm A D G Gb Bm Am)

Pizza sucks without you
 Everyday it's a bore without you
 Pizza sucks without you
 Everyday it's a bore without you
 Pizza sucks without you
 Everyday it's a bore without you
 Pizza sucks without you
 Everyday it's a bore without you
 (Em Gb Bm Am D G Gb Bm Am D)
