

OR30 - Doki Doki Forever

tom:

[Primeira Parte]

Hey, hey

My heart's beating when I'm

Hanging out with you

Why does my heart ache?

When I hear you feel the same way too

Just like a sundae

It's sweet every time I teach you

Something new

Is this by chance or fate?

Whenever it's just me and you?

(Don't get the wrong idea!)

[Pré-Refrão]

When we touch

It'll never be enough

Is it way too much

If you had to choose just one of us?

[Refrão]

Tell me, tell me, please

Is this what I think or is it just me?

Don't wake me up

From this sweet little dream

Where we'll be together, forever

We're never gonna be apart (Doki, doki!)

Will it be okay?

If I express my love for you this way?

No matter what you do or what you say

Where we'll be together, forever

We're never gonna be apart

(We're never gonna be apart)

(D G A)

[Segunda Parte]

Hey, hey

Acordes

When I'm next to you

I don't know what to do

Why does it feel so great

When our eyes meet out of the blue?

(I-I'm sorry I said too much!)

I really love

The way you write even when

You don't have a clue

I wanna hear you say

"This love that I am feeling is true"

[Pré-Refrão]

Tasty love

Something I want more of

Will it make the cut

If you had to choose just one of us?

[Refrão]

Shall I leave you be?

Is it love if I can set you free?

But even if it's not reality

Let's be together, forever

We're never gonna be apart (Doki, doki!)

How can I convey

My love for you before they fly away?

I think about it all day everyday

We'll be together, forever

We're never gonna be apart

[Final]

One by one

They only

Fall apart

Can it be undone?

Why can't I just be the one for once?

We'll be together, forever

We're never gonna be apart

Maybe we'll never be together

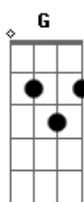

But forever you'll be in my heart
