

Orla Gartland - I Go Crazy

tom:
 G
 I've got no clue what you're thinking
 Em
 You move your hand away from mine
 C
 Shifty eyes and indecisions
 Em
 Why does this happen every time?
 C
 Won't somebody hold me and tell me it'll all work out D
 Em
 Say that there's nothing to worry about now
 C
 Cause I'm so sick of the drama and I hate to to shout D
 Em
 But you drag it out of me
 C
 Three words, two hearts, one maybe D
 Em
 Say something before I go crazy D
 C
 My tears, your fears, don't phase me D
 Em
 Say something before I go crazy Am
 C
 Now
 Am C
 I go crazy now
 C
 I feel like all of this has aged me
 Em
 Right on the edge of 22
 C
 You look like you've just seen a monster

Em
 Is that what I look like to you?
 C
 Won't somebody hold me and tell me it'll all work out D
 Em
 Say that there's nothing to worry about now
 C
 Cause I'm so sick of the drama and I hate to to shout D
 Em
 But you drag it out of me
 C
 Three words, two hearts, one maybe D
 Em
 Say something before I go crazy D
 C
 My tears, your fears, don't phase me D
 Em
 Say something before I go crazy Am
 C
 Now
 Am C
 I go crazy now
 C
 It's only a matter of time Em
 C
 Three words, two hearts, one maybe D
 Em
 Say something before I go crazy D
 C
 My tears, your fears, don't phase me D
 Em
 Say something before I go crazy Am
 C
 Now
 Am C
 I go crazy now
