

Orlando Silva - A Primeira Vez

tom:

A primeira vez que eu te encontrei
 Alimentei a ilusão de ser feliz
 Eu era triste e sorri
 Peguei no pinho e cantei
 Muitos versos eu fiz
 Em meu peito guardei
 Um dia você partiu

Meu pinho emudeceu
 E a minha voz na garganta morreu
 Procuro esquecer a dor
 Não sou capaz
 Meu violão não toca mais
 Eu vivo triste a meditar
 Não canto mais
 Meu consolo é chorar
