

Orlando Silva - A Primeira Vez

tom:

D

A primeira vez que eu te encontrei
Alimentei a ilusão de ser feliz

Eu era triste e sorri
Peguei no pinho e cantei
Muitos versos eu fiz
Em meu peito guardei
Um dia você partiu

Em Gm
Meu pinho emudeceu
E a minha voz na garganta morreu

D C7 B7
Procuro esquecer a dor

Em
Não sou capaz

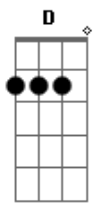

A7 D
Meu violão não toca mais

Em A7 D C7 B7
Eu vivo triste a meditar

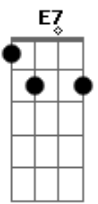

E7
Não canto mais

A7
Meu consolo é chorar
