

Orquestra Imperial - Não Foi Em Vão

Tom: Eb
Intro: Cm7 B Bb Am7 Ab7 G7 Cm

Agora posso ir e não olhar pra trás
Passado tudo aquilo que se desfaz

Foi bom viver mais uma vez

Saber te perdoar

E dar por finda a mágoa desse mal amar

Hoje quero crer que não foi mesmo em vão

Escolho solitude à solidão

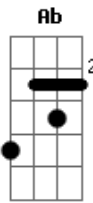

Foi bom te ter mais uma vez

Poder te abandonar

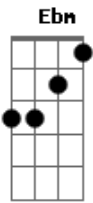

E dar por finda a mágoa desse mal amar

Quem feriu meu coração fui eu mais ninguém
Quem feriu meu coração foi você tam----bém
