

# Orquestra Royal - Solta o Cano

Tom: G

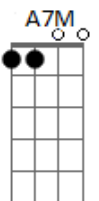

Mais um dia mais um vazamento  
 Segura o cano ou a casa cai  
 O furico tá na mão  
 E já não aguento  
 A pressão está demais!  
 Eu já rezei pedi pra Cristo  
 E finalmente achei a  
 solução

F#m7(5b) B7(9b) Em  
 Eu arrumei o meu registro  
 Agora a casa não cai mais  
 não  
 Solta o cano que não cai  
 Meu irmão  
 Já vai baixar a pressão  
 Solta o cano que tá  
 tranquilo
