

Orthodox Celts - Save Me

Tom: C

(com acordes na forma de G)

Capotraste na 5ª casa

Intro: C D G G

Shapes disappear
Erased by the darkened welcome of the night
Behind the clouds
The moon set sail across the flaming stars
The night is so quiet
I still wait your steps to hear and melt the snow
Rage of the Wind
Feeds my hunger while I'm dreamin' alone
Save me girl
Give me shelter in your arms
Save me girl
And blow away my harms
Save me girl

Arise me from the dead tonight
I'm burning down
I saw your smile and lost myself in you
But I don't mind
Whole starry skies I found in your eyes
I can't control
...myself. I don't belong to me no more
Since you allowed
To see my reflection in the mirror I love
Save me girl
Give me shelter in your arms
Save me girl
And blow away my harms
Save me girl
Arise me from the dead tonight
