

Orville Peck - C'mon Baby, Cry

tom:

Intro: C F C F

I can see the sadness in your eyes
You've been tryna hide what you left behind

They say it's darkest before the dawn
But you've been smiling for so long
A thousand teardrops can't be wrong, no

I don't want you to be afraid

Let me see you cry

Oh I, I got an hour or so
Take my hand and let it go
Call me up anytime

C'mon baby, cry

(C F C F)

I can tell you're a sad boy just like me
Baby, don't deny what your poor heart needs

Been so long since he called your name

On the run from a losing game

Just bat your eyes, baby, let me feel the pain

I don't want you to be afraid

Let me see you cry

Oh I, I got an hour or so
Take my hand and let it go
Call me up anytime

C'mon baby, cry

Three words everybody knows
Must be nice where lovers go
Take my hand, don't let it go
Just cry

I don't want you to be afraid

Let me see you cry

Oh I, I got an hour or so
Take my hand, darlin', let it go
Call me up anytime

C'mon baby

I don't want you to be afraid

Let me see you cry

Oh I, I got an hour or so
Take my hand and let it go
You can call me up anytime

C'mon baby, cry

C'mon baby, cry

C'mon baby
