

# Orville Peck - Hope To Die

tom:  
G

A Em B D Db E Db A  
Gone was the way we were  
Em B D  
Just like the days we'd burn  
Db E Db A  
Everything 'round us would burn  
Db Gb  
Take me back to the time  
Em A  
I was yours and you were mine  
Db Gb  
Take me back, the words I'd say  
D E  
I had to whisper  
D Db B A  
Because you liked it that way  
Db Gb E  
I'm still undone, not quite young  
A Db Gb  
But I, I still try  
D A  
Cross my heart, now I hope to die  
Em B D Db E Db A  
Was the way we were  
Em B D  
Just like you'd say, we'd turn?

Db E Db A  
Everything 'round us, big burn  
Db Gb  
Take me back to the time  
Em A  
I was yours and you were mine  
Db Gb  
Take me back to the world I know  
D E  
You were crying  
D Db B A  
They don't cry when we're gone  
Db Gb E  
I'm still undone, not quite young  
A Db Gb  
But I, I still try  
D  
Cross my heart, now I hope to  
( A Em B D )  
( Db E Db )  
( A Em B D )  
C Gb A G  
And I'm still undone, I'm not quite young  
C Gb A  
But I, I still try  
G C Gb A  
Cross my heart, now I hope to die  
G C Gb A  
Cross my heart, now I hope to die
