

# Orville Peck - Hope To Die

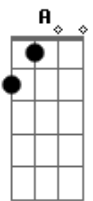

tom:  
 G  
 A Em B D Db E Db A  
 Gone was the way we were  
 Em B D  
 Just like the days we'd burn  
 Db E Db A  
 Everything 'round us would burn  
 Db Gb  
 Take me back to the time  
 Em A  
 I was yours and you were mine  
 Db Gb  
 Take me back, the words I'd say  
 D E  
 I had to whisper  
 D Db B A  
 Because you liked it that way  
 Db Gb E  
 I'm still undone, not quite young  
 A Db Gb  
 But I, I still try  
 D A  
 Cross my heart, now I hope to die  
 Em B D Db E Db A  
 Was the way we were  
 Em B D  
 Just like you'd say, we'd turn?

Db E Db A  
 Everything 'round us, big burn  
 Db Gb  
 Take me back to the time  
 Em A  
 I was yours and you were mine  
 Db Gb  
 Take me back to the world I know  
 D E  
 You were crying  
 D Db B A  
 They don't cry when we're gone  
 Db Gb E  
 I'm still undone, not quite young  
 A Db Gb  
 But I, I still try  
 D  
 Cross my heart, now I hope to  
 ( A Em B D )  
 ( Db E Db )  
 ( A Em B D )  
 C Gb A G  
 And I'm still undone, I'm not quite young  
 C Gb A  
 But I, I still try  
 G C Gb A  
 Cross my heart, now I hope to die  
 G C Gb A  
 Cross my heart, now I hope to die
