tom:

0 elefante foi andar pela floresta

E encontrou seus amigos numa festa

Chegando lá ele viu só alegria

Que contagia, que contagia!

[Refrão]

Batendo palmas, plá...plá...plá!

Abrindo a boca, Ahaaaaa!

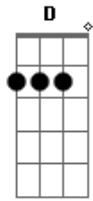

Sorrindo à toa, pois a via é muito boa!

Batendo palmas, plá...plá...plá!

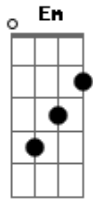

Abrindo a boca, Ahaaaaa!

Sorrindo à toa, pois a via é muito boa!
