

Os Cabides - Lagartixa Tropic

tom:

F

F

G

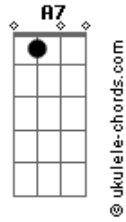

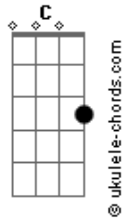

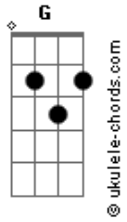

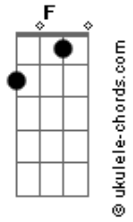

É verdade que no verão

As lagartixas tomam banho nas caixas d'água

E a gente escova os dentes

E fica contente e sorri

Acordes

Com um sorriso lagartixa tropical

Ah, o meu creme dental

Está comprometido pelos campeonatos de nado desse animal

Ah, mas que noticia

Eu lavo o meu cabelo com água de lagartixa
