

Os Carbonos - Skyline Pigeon

Tom: D

Turn me loose
 From your hands
 Let me fly
 To distant lands
 Over green fields
 Trees and mountains
 Flowers and forest fountains
 Home along the lanes of the skyway
 For this dark
 And lonely room
 Projects a shadow
 Castin in gloom
 And my eyes are mirrors
 Of the world outside
 Thinking of the way
 That the wind can turn the side
 And these shadows turn
 From purple into grey

Pré-refrão:
 For just a skyline pigeon
 Dreaming of the open

Waiting for the day
 He can spread his wings
 And fly away again

Refrão:
 Fly away
 Skyline pigeon fly
 Towards the dreams you've left so
 Very far behind

(Refrão)

Let me wake up in the morning
 To the smell of new mown hay
 To laugh and cry
 To live and die
 In the brightness of my day
 I want to hear the peeling bells
 Of distant churches sing
 But most of all please free
 Me from this aching metal ring
 And open out this cage towards the sun

(Pré-Refrão)
 (Refrão 2x)
 Final: D A Bm A G A A D
