

# Os Mateadores - Dona do Rancho

tom:

Intro: D A G  
Gbm G D  
E Gm7 A

Parceira querida patroa do rancho  
Por ti me desmancho e me bate a vontade

De cevar um mate pra matear contigo  
Que hoje eu te preciso pra matar saudade

Eu venho judiado dessa dura lida  
E só encontro guarida no calor dos braços teus

(Nosso amor é grande, mais que o infinito  
Vejo no meu rancho tudo mais bonito  
Me destes um piazito, presente de Deus)

[Refrão]

Chinoca faceira, flor do meu rincão  
Chama que incendeia a nossa paixão

É fruta madura com jeito criança

Seu olhar balança o meu coração

Dentro do meu peito já virou raiz

Amor de verdade que eu sempre quis

Se estou ao teu lado fico enamorado

Louco apaixonado e sou mais feliz

( F C Bb C )  
( D G D )  
( Fm Em D )

Acalenta a alma, me perco em teus braços

E até meu cansaço se vai como um rio

A Lua reflete teu olhar ardente

E teu corpo quente me aquece do frio

Emponchado em dois fica pra depois

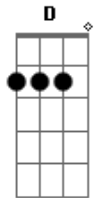

A prosa e o mate que me trouxe a ti

(Quero teu carinho, cama de pelego

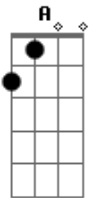

Pois tenho vivido longe do sossego

E do teu achego eu só tenho aqui)
