

Os Meireles - Num Berço de Palha

tom:

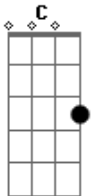

Intro: F Bb F

Bb F Bb C F
Ooh ooh oooooh

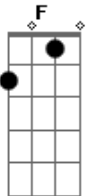

Num berço de palha dormia Jesus
O meigo Menino, coberto de luz
Num rude presépio, à noite, em Belém
Enquanto as estrelas brilhavam no além

Acorda o Menino o gado a mugir

Mas Ele não chora, Se põe a sorrir
Eu Te amo, Menino nascido em Belém
Ó, guia meus pés no caminho do bem

Bem perto de nós permanece, ó Senhor
Guardando-nos sempre com Teu santo amor
Contigo queremos pra sempre ficar
Ó, dá-nos entrada no Teu doce lar
Ó, dá-nos entrada no Teu doce lar
