

# Os Novos Baianos - Guria

Tom: E

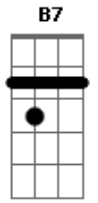

Guria, guria  
queria, queria  
queria o que, ô guria?  
caiu pra você  
mastigue, curta, roa  
assuma numa pá  
E

conforme o seu atual  
estágio de animal  
ou pensa que é à toa  
que nego diz: "oi, bicho!"  
então marcou e marcar  
é pior que perder gol  
e queixas só dá rugas  
e vento seca, amor enxuga
