

Os Novos Baianos - Guria

Tom: E

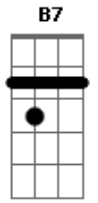

Guria, guria
queria, queria
queria o que, ô guria?
caiu pra você
mastigue, curta, roa
assuma numa pá
E

conforme o seu atual
estágio de animal
ou pensa que é à toa
que nego diz: "oi, bicho!"
então marcou e marcar
é pior que perder gol
e queixas só dá rugas
e vento seca, amor enxuga
