

Os Originais do Samba - Alegrias de Domingo

Tom: Bb

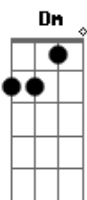

Sá....sababadadá, sabadá.....sabadabada.....á
 Sá....sababadadá, sabadá.....sabadabada.....á
 Domingo é dia.....de alegria
 Pego uma prancha.....vou pro Guarujá
 Cortando ondas.....eu tiro onda
 E nessas ondas.....eu vou desliza.....ar
 E na praia eu vou curtir um sol
 (E na praia eu vou curtir um sol)
 Fio dental, coisa e tal e frescobol

(Fres.....co.....bol)
 O lindo bronzado da menina
 Seu olhar tão profundo me fascina
 Um andar provocante e sensual
 Pego duas cervejas só pra refrescar
 (Re.....fres.....car)
 E um acerto pra noite a gente se encontrar
 (En.....con.....trar)
 Vou curtir o Perequê numa legal
 Ela gosta de tudo, é liberal
 No fim da madrugada a gente vai se amar..
