

Os Paralamas do Sucesso - O trem da juventude

Tom: A

Gb

Minha alma é lavada desencardida
e quem destratou a sua vida foi você
Desamarrada, desimpedida, desermada
Voa livre pelo mundo até escurecer

Ebm Ab Db

Quando faz frio perto do mar

Quando não há nuvens no ceu

Quando sopra o vento terral de manhã

Vale a pena acordar pra ver

Gb

Sempre atrasada, sempre iludida
De que vai voltar à vida que voce deixou
O tempo, os homes
As marcas de noites e dias mal vividos

Nada disso te perdoou

Ebm Ab Db
Rede de surfistas no mar

Dbm Gb B
Ligados por computador

Bm E A D
Novas maravilhas pra se admirar

Ab Db Gb
Não me venha com a velha dor

Ebm Ab Db
O trem da juventude é veloz

Dbm Gb B
Quando foi olhar já passou

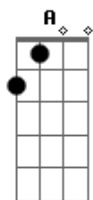

Bm E A D
Os trilhos do destino cruzando entre nós

Ab Db Gb
Pela vida, trazendo o novo.

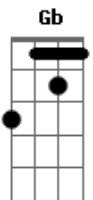

(Eb Gb)

(Repete tudo de novo)
