

Os Paralamas do Sucesso - Passo Lento

Tom: **D**

(Herbert Vianna / Bi Ribeiro / João Barone)

[Intro:] **Gb G Em G**

Te peço calma pra que eu absorva tudo

Que eu aprenda enquanto sofra

Te peço um tempo pra concatenar cada elemento

Em passo lento, mas, ao sopro do vento

É um entra-e-sai de moda

Muitas barreiras a redefinir fronteiras

Não quero estar em seu lugar

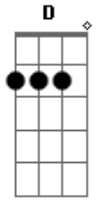

Aonde eu for local e você for só uma estrangeira

Hoje eu não te vejo

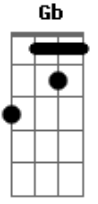

Ainda assim te mando beijos

Por sentir tanta amplitude no desejo
