

# Os Paralamas do Sucesso - Scream Poetry

Tom: F

Intro: Dm / A7

Eu posso sentir o que a paixão faz em segundos  
 Eu posso sentir o que o amor fez depois de anos  
 Eu gosto de sentar nos telhados  
 Pra ouvir o que as casas dizem ao meu redor  
 Eu gosto de subir nos telhados

Porque eu consigo ver o mundo melhor

Grite poesias que eu te amarei

Até a minha ida, grite poesias

Que o mundo tem

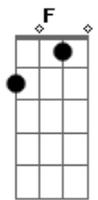

A palavra que você pode escrever

Grite poesias

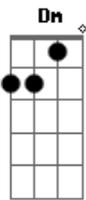

( F / Dm / A7 )

Repete a música toda
