

Os Pé Vermeio - Passarinho

tom:

Intro: A E A E Gbm E A E

Ê passarinho! Cê quer voar?

Sair do ninho, se libertar

Deixa essa asa que te cuidou

E te ensinou, o que é o amor

Ê passarinho! Cê vai voar

Esse teu ninho ainda é seu lar

Tome cuidado por onde for

Se o frio chegar

B7
Te mando um cobertor

(E E7 E E7)

A estrada é longa (ai ai)

Cê só não pare de voar

Se a tempestade te alcançar

Aprenda e agradeça

Quem te abrigar

[Refrão]

Ó passarinho quando a saudade for demais

Enxugue o rosto, solta teu canto

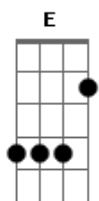

Saio daqui, vou te buscar

Volta pro ninho

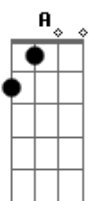

Ó passarinho

Esse é o teu lar
