

Os Serranos - Moda de Arrepiar

Tom: D

Bm D A7 D A7 Bm D

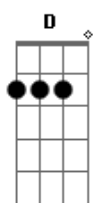

Chegue moçada que o baile tá começando
A gaita velha já se assanha pra roncar

E o couro pega na batida do pandeiro
Que dá balanço pras gurias rebolar

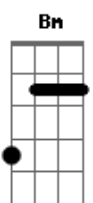

(E no toque do gaiteiro vai pra lá e vem pra cá
E no toque do gaiteiro todo mundo vai dançar)
Int.

E o peão faceiro vai bicando a cangibrina
Chapéu pra cima quando a moda é de arrepiar
Dê-lhe que dê-lhe no balanço da vaneira
A sala inteira até parece balançar
() Int.
Moça bonita da barriguinha de fora
Quando ela dança, bota a saia pra botar
Mão na cabeça, na cintura e joelhinho
Joga beijinho pro cantador se animar
