

# Os Travessos - Solidão Valeu

Tom: **D**

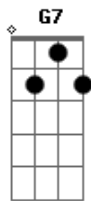

**G7** **D7**  
Sinto tanto sua falta  
**Bm**  
Que me falta viver  
**D7**  
Sinto toda a saudade  
**Bm**  
Que um ser pode ter  
**Em**  
Não da mais pra viver  
**Bm**  
Meu amor por você  
**Em** **A7**  
Mais ninguém pode ter  
**D7**  
Eu que nunca esperava  
**Bm**  
Esse amor terminar  
**D7**  
E não me preparava  
**Bm**  
Para o mal a chegar  
**D7**

Dá vontade de te ver  
Te abraçar amar você  
**Bm**  
Te guardar no meu prazer  
Vem me ver  
**Em**  
Só me perco a procurar  
**Bm**  
Outro alguém para amar  
**Em** **A7**  
Ou tentar te esquecer  
**Bm** **Em**  
Solidão valeu  
**Bm**  
Por te descobrir  
**Em** **A7** **Am** **D7**  
E saber do teu valor  
**Bm**  
O que aconteceu  
**Bm7**  
É que a paixão  
**Em** **A7** **Am** **D7**  
Deu lugar para o amor
