

Osvaldo Junior - More Life

Tom: A

When I Fly

I will know the right moment

To get where i want

Don't be sad nor stop

Tomorrow will be a new day

Good things will happen

Whatever it is

Believe and go ahead

More life

It's what we need to know

More life

Life does not stop

More life, more life more life

More life, more life more life

More life, more life more life

I believe in humanity

I believe in good sense

Everything will be resolved

Do your part

Don't wait and be happy

Don't wait and be happy

Good things will happen

Good things will happen

Whatever it is

Believe and go ahead

More life

It's what we need to know

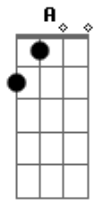

More life

Life does not stop

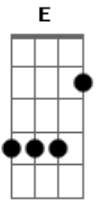

More life, more life more life

More life, more life more life
