

Oswaldo Montenegro - Aos Filhos de Leão

tom:

Cada diamante ama o sândalo
 E o cravo ama o ouro
 E alaranjado globo azul rodeia o sol
 Cada diamante imita a mágica
 Das tropicais florestas

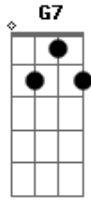

Onde reina o leão, Deus dos animais

Cada brilho seu reflete o coração dourado
 O fogo, o poder, a vitalidade, o pai
 Cada raio seu forma uma rua
 Que vai dar na luz da lua
 Doces caminhos astrais
