

Oswaldo Montenegro - Blue da Bailarina

Tom: **A**

(com acordes na forma de)

(4/4)

A7.....**B7**

Ela dançava um blue

.....D7.....**A7**

Na praça domingo, devagar

D7.....C#7....**Gbm**

como se a vida ficasse esperando

.....**B7**.....**E7**.....**E**

o acorde do blue pra passar

.....D7.....C#7.....**Gbm**

São males que quase nos unem

.....D7.....C#7.....**Gbm**

mas há quem nasceu pra dançar

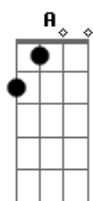

.....D7.....C#7.....**Gbm**

enfrentando o medo, que nunca é cedo

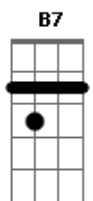

.....**B7**.....**E7**.....**E**

E a vida não pode esperar
