

Oswaldo Montenegro - Não Tem Volta

Tom: F

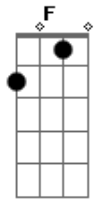

Ser ninguém, ser o pó
 Ser só uma estrela azul
 Pra me arder, como um sol
 E queimar meu corpo nú

Vou dormir, me acordar
 Ver que o sonho já passou
 A paixão, quando vai

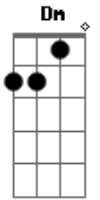

Não tem volta meu amor
 Quer me ver, eu jurar
 Que foi mal mais fiquei bem
 Me acolher, me ninar
 Sentir mais do que ninguém

Vai sumir e voltar
 Pra reaver o que deixou
 A paixão quando vai
 Não tem volta meu amor
