

Oswaldo Montenegro - Serenata Ao Professor

tom:

Acorda, meu querido grande mestre, meu amigo
 Quero lhe mostrar o quanto e não consigo
 Quanta gratidão a gente traz no coração por ti
 Juro que acredito em tudo o quanto me contaste
 Que a gramática nos servirá na vida

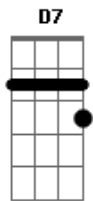

Que a princesa Isabel amava o crioulo daqui

Sabe, meu querido grande mestre, eu acredito
 Que o Cabral bateu aqui pelo destino
 Cantarei o nosso hino, cada vez que eu for dormir
 Sabe, reconheço o teu salário é uma desgraça
 Mas na vida, o senhor sabe, tudo passa
 Se isso é uma lei da vida Por que não nos passar também?
